ESTATE OF ERNEST
GOTTDIENER, et al.,

Plaintiffs,

v.

THE UNITED STATES,

Defendant.

ORDER

Prior to the expiration of the deadline for filing the reply in support of their motion for leave to file a document under seal, ECF No. 84, and for filing a second amended complaint, plaintiffs have filed a motion seeking an extension of this deadline. ECF No. 102. Although it is not clear how much time plaintiffs need for these filings, and subsequent papers filed as status reports, *see* ECF Nos. 103 & 104, suggest that the motion for leave might be supplanted by another motion (and that a supplemental brief might take the place of a second amended complaint), the Court **GRANTS** the motion for an extension, which in any event has not been opposed. Consequently, the deadline for filing the reply paper and second amended complaint is extended to **Friday, March 11, 2022**. If plaintiffs determine that one or both documents are no longer necessary, they may instead file a status report, on or by that same date, clearly informing the Court of this determination.

IT IS SO ORDERED.
